**What to do by 9pm Sunday**

1. If you plan to use your own computer, install Python 3 & Wing 101
   - Instructions can be found on the course website under “Software”
   - For help with software installation, visit the Help Centre, First-year Office Hours, or 108 TA Office Hours (times on course website)

2. Complete the Week 2 Prepare exercise on the PCRS (for marks, available by Thursday at noon, due Sunday by 9pm)

**Frequently Asked Questions (FAQ)**

- How many attempts do I get for each Prepare/Perform question?
  - As many as you want, up until the due date. We mark your last response submitted before the due date.
- What is the grading scheme on the Prepare/Perform exercises?
  - Each multiple choice question is worth one point and each question that requires you to type in Python code is worth three points.
- When are the Prepare/Perform exercises released/due?
  - Prepare exercises are released in PCRS weekly on Thursdays at noon, and are due Sundays at 9pm.

**For this Friday only…**

… today’s class is an office hours session (but in lecture)

Work on and get help with:

- ✔ Week 1 Perform Exercise on the PCRS (this is not-for-credit this week, but we strongly encourage you to complete it)
- ✔ Software installation.
- ✔ Week 2 Prepare on the PCRS (for credit, due Sunday by 9pm). Use headphones!
- ✔ Any questions you have about the material so far.
