Remarks

**Midterm:** If you think an error was made in grading, please complete a remark request form (on the Forms page of the website), staple it to your paper, and give both to me by a Wednesday.

You can slip a remark request under my door and it will be safe.

**Assignment 1:** Please wait until Jonathan has posted instructions.
Project

Phase II requires you to implement most of the back end of your app. It’s large and challenging.

If your team is not meeting by the weekend, I am very concerned.

If you can’t be physically together, arrange a meeting via Skype, FaceTime, Google Hangouts, ...
