Text: Picturing Programs

Outline

property

Notes

what's property?

- chair
- body parts?
- tunes
- ideas?
- human beings

controversial

life form or
life enhancement?
owned, bought, sold?

life form

natural right to property

John Locke's take...

rival rous property?

"your property."

mix nature and
your labour and
it's naturally yours?

tragicomedy of commons

Exxon Valdez?

maybe not as much

common "property" versus
private externalization
of costs?

trademark, patent, copyright

novel process

expression, by
its author: control
reproduction:

patents

limited monop.
years.

Computer Science
UNIVERSITY OF TORONTO
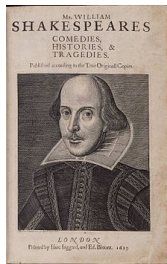

download much?

artist, creator

copyright owner] not always same.

C. 11 → backwards, sideways.

strong enforcem

wider "fair dealing"

pursue lock breakers
more than sharers
Canada's bill C11

DRM IS
KILLING MUSIC

AND IT'S A RIP OFF!
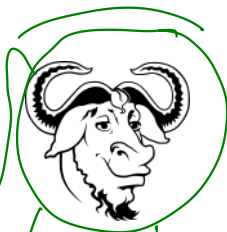

closed and open approaches

in middle
musicians

entire
TCPIIP
→ internet
was open software

CRIA protects member
copyright, so does GNU

Gnu's Not
Unix
Apache web server.

↳ how do you
line?

Notes
